The Applicant will provide the Company with satisfactory credit references or a deposit may apply. The Applicant also agrees that failure to meet payment of charges in accordance with established collection policies of the Company, shall be sufficient cause for the Company to refuse or discontinue service to the Applicant without previous notice.

A late payment charge is based upon the end of the month balance (excluding any unpaid late payment charge from previous months). If the late charge exceeds 50¢, the annual percentage rate is 18%. No late charge will be assessed: (A) In a monthly billing period during which there was no previous balance; (B) In a monthly billing period during which payments and/or credits equal or exceed the previous balance; (C) On unpaid late charge; or (D) On charges for services rendered during the monthly billing period in which they are added to the account. A minimum late charge of 50¢ will be assessed on all past due accounts.

If it is determined that we have made a mistake on your bill, you will not have to pay any late charges on any disputed amount. If it turns out that we have not made an error, you will have to pay late charges on the amount in dispute, and you will have to make up any missed minimum or required payments on the disputed amount.
