

Changing your E-mail password

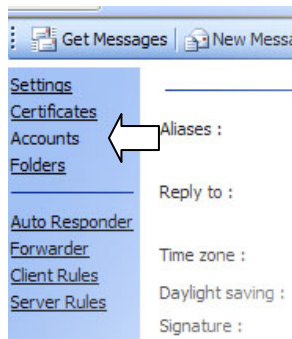

1. Open Internet Explorer and go to <http://webmail.jetup.net>

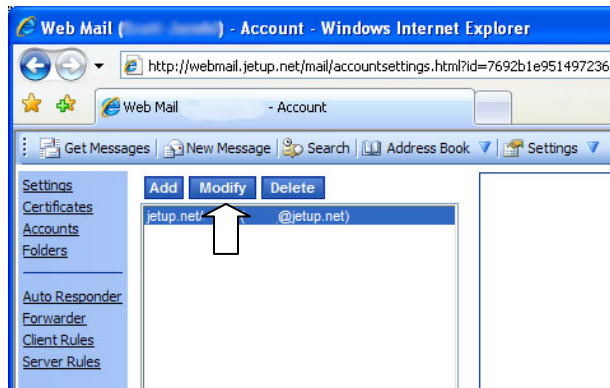

2. Sign in using your existing username and password
3. Click on Settings

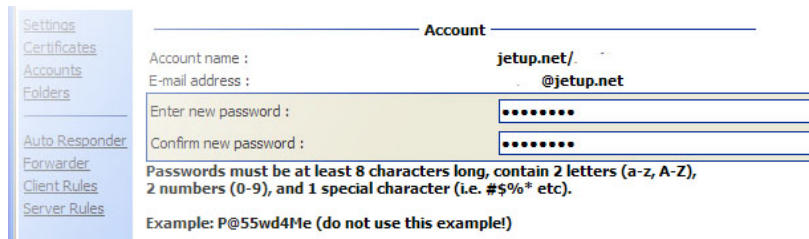

4. On the left-hand side of the page click on Accounts.

5. Click on Modify

6. Enter your new password in the password field.

Note that passwords must now be at least 8 characters long and contain at least 2 alpha characters along with 2 numbers and 1 special character (i.e. !@#\$%^&*) Example: P@55wd4Me

7. Click on Save Changes
